The undersigned agrees that the pest control operator (pco), its owners, employees, agents, insurers, heirs, partners, successors, corporations, firms and all other persons associated with said pco cannot be held responsible for damages or injuries due to bed bugs or bed bug bites and/or stings due to the failure of the pco to fully eradicate or control the bed bug infestation(s) (any species). The undersigned understands that the pco is limited in controlling bed bug infestation due to the inaccessible areas surrounding construction, failure of the undersigned to allow treatment to other recommended areas and other matters where the pco has limited or no control.

The undersigned also agrees to defend and indemnify the above discharged parties should any other causes of actions, arbitrations, mediations, claims or suits are brought forward by any persons surrounding an occurrence, accident, casualty or event stated herein.
